

PALLOTTINE CHILDREN HOMES

ANNUAL REPORT 2015

“It's not how much we give but how much love we put into giving.” - Mother Teresa

From Mission Secretariat, INDIA

The Pallottine Fathers and Brothers in India are glad to present this annual report of 'Children Homes in India'. This 'Annual Report 2015' gives a glimpse of what we have been able to achieve together as God's children in His vineyard. The seed of Pallottine Mission in India which was sown in the year 1951 by three pioneer German Pallottine missionaries namely; Rev. Fr. Francis Werner Hunold, Rev. Fr. Lorenz Scheu and Rev. Fr. Josef Strittmatter; their determined dedication, the abundant blessings of the Lord and the guidance of the Holy Spirit helped it to grow to unimagined heights. The humble beginning assumed the shape of a big tree and in just six decades it has extended its branches in about 15 states of India with about 400 Fathers and Brothers working in about 115 mission stations in collaboration with various Diocese, Pallottine Sisters, other religious congregations and lay collaborators.

The 18 children homes spread in 09 different states of our country, through the long standing financial support by Kinder Missions Werk, Aachen and Mission Secretariat Germany, we are able to reach out to nearly 1600 needy boys and girls from remote tribal villages every year. These Children Homes offer an opportunity for a holistic personality growth of these children through value education,

conducive shelter; nutrition, sports, games, cultural exposure programs and various competitions etc. We are glad to see many of the children benefitted from these Children Homes have stood on their feet, enjoying a stable life and respectful status in the society. The Pallottine Fathers and Brothers along with their associates work very hard to ensure quality education and overall growth of these children.

We are indebted to all our donors from Kinder Missions Werk, Mission Secretariat Friedberg and all our associates from India and abroad who contribute generously their share to ensure a smile and a dignified healthy growth of these children. A big thanks to you all for your continued support in this noble task and for being God's merciful agents in this 'Year of Mercy', for the great efforts you make to 'be merciful like the heavenly Father'.

As we move on, we are committed to keep enhancing educational level of these marginalized children, creating livelihood opportunities for them. This Annual Report aims at encapsulating our efforts towards reaching out to the least, the lost and the last. May the Merciful God continue to bless us in our journey towards becoming merciful and may we be urged by His merciful love for each one of us.
